

## Arrowmont Video Order Form

Updated and fresh, this brief and informative video adapted from Nashville Public Television's *Tennessee Crossroads: Smoky Mountain Getaways*, is a great way to introduce Arrowmont and is only about 7 minutes in length. The video is lively and upbeat, presenting an interesting overview of Arrowmont history and capturing the excitement of today's contemporary art and craft workshops. It includes student and faculty interviews along with footage of students working in the studios and views of campus. There is an introduction by Arrowmont director, David Willard and an interview with Arrowmont assistant director, Bill Griffith.
