

# Metals

Emily Culver

July 18-24, 2021

## COURSE DESCRIPTION

This class is designed to be a time of exploration where students will be shown specific making techniques but also be encouraged to experiment. For this reason, it is encouraged that students might want to bring and supply various materials that they are interested in working with. This would include raw materials (such as wood, plastic, fabric etc.) but could also extend to found objects and recycled materials as well. If possible or desired, we may also take a shopping trip to Sevierville to scour for exciting materials to try. In addition to metal connections and mechanisms the following, among other things, will be demonstrated: leather stitching, silicone casting, plastic manipulation.

## MATERIALS LIST

- Personal \*jewelry/\*metal studio tools if preferred
- \$5 or less worth of a specific material (not precious) for a workshop activity
- Sketchbook or notebook
- Writing utensils (pens, pencils, etc.)
- Various materials or found objects that the student might wish to work with
- Basic studio supplies such as \*glues/epoxies, \*tape, \*paper, etc.
- \*Flash drive (to protect and save data to and from Library computers)
- \*Padlock for your studio locker, if desired (For rent in the Supply Store for the week)

***All Items marked with an "\*" are available for purchase in the Supply Store***

## COVID-19 UPDATE

In accordance to Arrowmont's COVID-19 policies, Arrowmont recommends that all students bring multiple face coverings in accordance to the CDC guidelines (2-ply, cloth face covering). Along with additional masks, students should consider bringing additional PPE that they may need personally, including but not limited to hand sanitizers and gloves. When asked to bring a respirator or N95 for class, please consider the best option for the supply in your area with health care workers in mind.

In addition to the new operating policies due to COVID-19, Arrowmont is providing additional information to students about materials and tools that will be provided in classrooms. If a student already owns the below items and can travel with them, the student can choose to bring these additional items. Arrowmont will provide these items to students but wants to ensure that all students feel comfortable while on campus as some of these items will be shared amongst a class and are not guaranteed to be one per student.

## SUPPLIES

- Basic jewelry hand tools- saw frame, pliers, center punch, files
- *Please see highlighted above*

If a student chooses to mail tools and supplies to Arrowmont prior to the class, the packages will be placed in the student's classroom.

Please label packages clearly, including student's name and class week.

Students can mail packages to:

Arrowmont  
C/O Student Name and Class Week  
556 Parkway  
Gatlinburg, TN 37738

**MATERIALS FEES: \$50.00-\$130.00**

**Materials fees** will be charged for materials used in the studio and/or provided by instructors for use in the studio by the entire class. In order to keep these fees as low as possible, fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class. Materials fees are paid on the last day of class.

**Please be advised that above course description and materials list is written and approved by the instructor**
