

Metals

Anna Johnson

July 11-17, 2021 Legacy

COURSE DESCRIPTION

During this week session, students should come ready learn, play, and experiment in metalsmithing and jewelry making. We will focus on technical skills that will be accessible to all levels of experience ranging from sawing and soldering to setting objects, plus the techniques it takes to create a great finished piece! Along with the hands-on skills, our class will converse about wearability, professional practice, and the value behind handmade objects. Students are encouraged to bring pieces they would like to incorporate into their designs from home to help fuel creativity, concept, and composition, but it is not required.

MATERIALS LIST

- Objects to incorporate into jewelry (optional)
- *Handtools or metal that students already own (optional)
- *Flash drive (to protect and save data to and from Library computers)
- *Padlock for your studio locker, if desired (For rent in the Supply Store for the week)

All Items marked with an "*" are available for purchase in the Supply Store

COVID-19 UPDATE

In accordance to Arrowmont's COVID-19 policies, Arrowmont recommends that all students bring multiple face coverings in accordance to the CDC guidelines (2-ply, cloth face covering). Along with additional masks, students should consider bringing additional PPE that they may need personally, including but not limited to hand sanitizers and gloves. When asked to bring a respirator or N95 for class, please consider the best option for the supply in your area with health care workers in mind.

In addition to the new operating policies due to COVID-19, Arrowmont is providing additional information to students about materials and tools that will be provided in classrooms. If a student already owns the below items and can travel with them, the student can choose to bring these additional items. Arrowmont will provide these items to students but wants to ensure that all students feel comfortable while on campus as some of these items will be shared amongst a class and are not guaranteed to be one per student.

SUPPLIES

- Safety glasses
- Nitrile gloves
- Apron or protective clothing
- Dust mask
- Saw frame and saw blades 2/0
- *Please see highlighted items above*

Please be advised that above course description and materials list is written and approved by the instructor
