

Woodworking

Wyatt Severs

October 10-15, 2021

COURSE DESCRIPTION

In this class, students will receive demonstrations on the correct use of woodworking equipment; joiner, planer, table saw, bandsaw, stationary sanders, mortising machines, routers, along with various hand tools and discussions on how to maintain your equipment as well and much more. Students will create a full-scale drawing giving them the chance to foresee design issues and perfect their ideas and the functionality of their work. Students will also be given demonstrations on surface treatments of wood. We will cover simple lamination of different species of lumber for contrasting patterns along with texturing surfaces for edge details and more. We will cover milk paint, laminating it and using it on textured surfaces of different species for unique effects.

Every student's interests in classes is always unique to their own interest, we will discuss many avenues of creating and building. The goal of this class is to teach you proper ways of viewing woodworking and machine usage, creating a comfortable language for yourself to further your skill through self-practice in your personal or communities' studios while creating a one-of-a-kind table.

MATERIALS LIST

- Sketches of possible pieces while being open to changes
- Favorite hand tools
- Welcome to bring lumber for project but Arrowmont will determine if it is of quality to be used in woodshop
- Closed toe shoes and *respiratory, *eye, and *hearing protection
- *Flash drive (to protect and save data to and from Library computers)
- *Padlock for your studio locker, if desired (For rent in the Supply Store for the week)

All Items marked with an "*" are available for purchase in the Supply Store

The Arrowmont wood studio is well equipped for virtually any type of turning. We are limited to specific types of tools and quantity needed for each class. If you are a beginning student or are traveling light, we do have tool kits that contain basic tools such as: bowl, spindle and roughing gouges as well as scrapers, skewers and parting tools. These kits are for student use.

COVID-19 UPDATE

In accordance to Arrowmont's COVID-19 policies, Arrowmont recommends that all students bring multiple face coverings in accordance to the CDC guidelines (2-ply, cloth face covering). Along with additional masks, students should consider bringing additional PPE that they may need personally, including but not limited to hand sanitizers and gloves. When asked to bring a respirator or N95 for class, please consider the best option for the supply in your area with health care workers in mind.

In addition to the new operating policies due to COVID-19, Arrowmont is providing additional information to students about materials and tools that will be provided in classrooms. If a student already owns the below items and can travel with them, the student can choose to bring these additional items. Arrowmont will provide these items to students but wants to ensure that all students feel comfortable while on campus as some of these items will be shared amongst a class and are not guaranteed to be one per student.

SUPPLIES

- Sandpaper, standard grits
- Face shield
- Woodturning smock

- Please see highlighted above

If a student chooses to mail tools and supplies to Arrowmont prior to the class, the packages will be placed in the student's classroom.

Please label packages clearly, including student's name and class week.

Students can mail packages to:

Arrowmont
C/O Student Name and Class Week
556 Parkway
Gatlinburg, TN 37738

MATERIALS FEES: \$75.00-\$100.00

Materials fees will be charged for materials used in the studio and/or provided by instructors for use in the studio by the entire class. In order to keep these fees as low as possible, fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class. Materials fees are paid on the last day of class.

The wood studio provides wood for each class as requested by the instructor. Our wood supply is of local indigenous woods. If you have access to wood in your area, and would like to bring your own to use or share with fellow classmates, please familiarize yourself with laws and regulations in bringing wood across state lines before doing so. The U.S. Department of Agriculture (USDA) has requirements in place to help protect the environment locally and nationally that are regulated on federal and/or state levels.

If you have any questions concerning the wood studio or tools, please feel free to email Heather Ashworth, wood studio technician, at hashworth@arrowmont.org.

Please be advised that above course description and materials list is written and approved by the instructor.
