

ARROWMONT

school of arts and crafts

Sculpture

Jeremy Colbert

August 4-9, 2024

COURSE DESCRIPTION

This introductory workshop explores the fundamentals of metal casting, industrial design, and molding techniques. Basic concepts involving industrial design in visual art will be explored through discussions, and the creation of sculptural forms. Special emphasis will be giving to material process, effective image making, and problem solving. The goal of this workshop is to introduce students to the basic concepts and techniques of casting, mold making, and its processes. The most important elements in this class will be the exploration of process and material, the development of ideas, creative thinking, time-management, and aesthetic appreciation. Open to all skill levels.

MATERIALS LIST

- Safety glasses
- Leather boots with no synthetic fibers
- Small handheld objects, cloths with textures, symbolic images, natural materials. Fun stuff to play with.
- Plasticine, molding clay and modeling tools if you already have them.
- Flash drive (to protect and save data to and from Library computers)
- Padlock for your studio locker, if desired (For rent in the Supply Store for the week)

The Supply Store has a small selection of materials for all mediums. If you intend on purchasing items from the store once you arrive on campus, please reach out to our supply store to ensure we have those materials in stock. Call 865-436-5860 Ext. 25 or email Celeste Rudd, retail logistics manager at crudd@arrowmont.org.

MATERIALS FEES: \$175.00-\$430.00

Materials fees will be charged for materials used in the studio and/or provided by instructors for use in the studio by the entire class. In order to keep these fees as low as possible, fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class. Materials fees are paid on the last day of class.

Please be advised that the above course description and materials list has been written and approved by the instructor.
